

# MY410: Seminar Week 3

Chao-Yo Cheng

# Pre-seminar checks

- ▶ How are things going?
- ▶ How are the lecture videos?
- ▶ How is the seminar structure? In person and online both going well?
- ▶ Any questions/issues/things to flag up?

## WK3 Lecture Takeaway

- ▶ There is not one “best” method – yes, but why?
- ▶ There should always be clear **congruence** between theory, question, and method.
- ▶ Evaluating this fit is a fundamental part of being a **critical reader**.
- ▶ Ensuring that your work has such fit is essential to producing **valuable and valid** social science.

## Warm-up: Sumner & Tribe ()

- ▶ Let's break into pairs to review different sections of the article.
- ▶ Let's focus on the following tasks for the time being.
